GRSP Student: Randi Eyde

Last week, we were able to learn more about our GRSP student that we have come to know and love. She said her reason for coming all the way from Denmark was to experience the “American Dream”. She had already done a Rotary Youth exchange in Brazil back in 2006/2007 and thought that this would be another great opportunity. We were able to learn so much about the beautiful country of Denmark: it is 1/3 the size of Georgia, they have twice as many pigs as they do people, they have the oldest national flag, and it is known as one of the happiest countries because of all the hygge. Hygge is directly translated to ‘cozy’ but to the Danes, it is so much more than that, it is the way they live. So far in Valdosta Randi has been able to shoot a shotgun, hunt alligators, enjoy a football game and travel all over Georgia. She’s really been able to experience the ‘southern’ lifestyle and she’s excited to continue on this journey.
