## Today's Programs

Today, we honor and commemorate a special member of the Valdosta Rotary Club, Dr. Robert L. Stump, Jr. He is celebrating his 100th birthday as well as 68 dedicated and faithful years as a Valdosta Rotarian. We are here to celebrate with him!

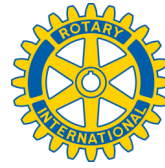

He received a degree in medicine from Emory University in 1940 and practiced as a medical physician for the local Valdosta community as well as in St. Louis, Indiana, and Tennessee as well. Dr. Stump was inducted as a member of the Valdosta Rotary Club in 1946 in legacy of his father, Robert Stump, Senior, and holds the position as the longest sustained Valdosta Rotarian to-date.

## Recent Programs: February 4, 2015

Last week **Cassandra Sherrill** shared with us the importance a college education and gave us insight on how to save for the future to prevent the hassle of college expenses. "The Path2College 529 Plan is easy, affordable, and gives you complete control over your money for college expenses (tuition, fees, books, and certain room and board) at any school, for anyone," said Cassandra. The number 529 refers to a federal tax code section that provides federal tax advantages for qualified tuition programs.

The 529 Plan helps you save for a college education for you or someone you love for as little as \$25 a month. The Plan comes with an abundance of benefits that make saving much easier. The account comes with professional management, flexible limits, low fees, and state tax benefits. Choosing to invest in your child, grandchild, niece, nephew or even yourself can make college dreams come true starting today. To kick start your child's future, visit [www.path2college529.com](http://www.path2college529.com) or call (866) 599-3925.
