Recent Programs: March 4, 2015

Last week Randae Davis informed us about the benefits of using the Community Foundation of South Georgia. He encouraged us to become a catalyst for the establishment of a charitable fund that will benefit the community for generations to come. "We believe in multiplying the gift and maximizing its impact to assist individuals, families, businesses, and other foundations in establishing, managing and distributing charitable funds to organizations," said Davis.

The Community Foundation offers planned giving options that ensure growth as well as provisions for the beneficiaries. There are seven types of planned giving options: Bequest, IRA Retirement Plan, Charitable Lead Trust, Charitable Remainder Trust, Life Insurance, Gift Annuity, and Retained Life Estate.

There are many benefits to planned giving including the reduction of estate and/or income taxes, the simplicity of transfer to loved ones, and the potential to increase your or your loved one's current income. The Community Foundation's donor advised services also provide a simple and flexible way to facilitate and fulfill your charitable vision. You will have peace of mind knowing that your gift is meaningful for the community or charity that you specify, he said.
