Jim Zachary, editor of the Valdosta Daily Times spoke about the role of the newspaper. “The job of the newspaper is to report facts, unlike the social media today, which may not report something correctly or even falsely” said Jim Zachary. When Jim took over the VDT it was 75% Wired Content and 25% Local Content. In the past year, he has changed that format to 75% Local Content and 25% Wired Content. Jim believes that newspapers need to reflect the motto of Rotary, “Service Above Self” to be a good citizen of the community.
